

ATTACHMENT I

Eastern Zone Service Award Recipients (Set up in 1993)

Criteria: Five Years Service in some capacity **within the Zone**, i.e. working at the Eastern Zone Meets, short course, long course or any Senior Zone Meet if held, or a long term member of the Zone Technical Committee. A coach or layperson should have equal consideration. This award does not have to be given each year if no eligible person can be found. A committee of three should be set up to pick the eligible person from nominations submitted. The cut-off date for nominations should be March 15 to allow time to notify the winner so there is time to make plans to attend the spring zone meeting, or August 15 if the award is to be presented at the Annual Convention.
