

2023 EZ LC Super-Sectional Update

4/26/2023 Updated 4/28/2023

OME: If you are not already aware, entries must be submitted through OME.

1. When searching for the meet, only enter the name of the meet (2023 VA EZ LC Speedo Super Sectional) in the search window. Entering additional information such as the city or meet dates has caused a problem for some folks.
2. If you are unable to find the meet in OME, please give me a call at 434-352-5451 so that we can determine what's happening. There has been at least one instance where there was an issue with the system that caused a team to not be able to find the meet.
3. At the present time there is a problem with trying to enter relays with a non-conforming qualifying team-owned time. This will be corrected by Friday so please be patient as we take care of that issue. Non-conforming relay times have not been a factor in the test meets for which OME was used so it had not been flagged before now. **4-28-2023 The fix for the SCY or SCM team-owned times was not included in the update launched this week. At the present time there is no way to enter relays this way. If your team needs to enter a relay with a non-conforming team-owned time sent Mary an email (myturner525@gmail.com) for instructions.**

New Qualifiers: We will **NOT** use OME for newly qualified athletes or for athletes who achieve a new qualifying time. Instead, please send an entry file to me by email (myturner525@gmail.com) for those athletes. If a bonus time is updated to a qualifying time, please indicate that as well as any related changes in the body of the email. I will send an invoice for the additional fees due. Payment can be made by check or credit card at the Registration/Check-In table when you arrive.

Late Entries: We will **NOT** use OME for any late entries. Again, please submit those entries to me by email. See information about payment of entry fees above.

Time Trials: The schedule for signing up for time trials will be announced at the General Meeting.

- Entry fees must be paid by credit card at the time of signing up for the event(s).
- The 800 and 1500 freestyles will only be offered on Thursday.
