It is recommended the Meet Referee will be from a different LSC than the Host LSC for any of the above meets.

All members listed above must be approved by the referee guidelines listed for the zone. The Meet Director, LSC Officials Chair hosting the meet and the EZ Officials Chair must approve the referee for the meet. The EZ Official's Chair may recommend someone who is not on the list as an education evaluator or for N3 Evaluations for the Officials Committee. In such cases this will be done immediately after the selection of the meet referee and with the approval of the above committee.

Names will be added or removed from the list as the evaluations are done on meets or as requests for certain official may be made to the Zone Officials Chair.
