

Coaches and Athletes:

Important Meet Information Update

Some exceptions have been made due to the attendance at the upcoming Speedo Sectional Meet in Ithaca July 16th -19th.

Please note the following changes:

1. There are no longer cut times for Bonus events.
2. Bonus event structure: All athletes entered in the meet can enter 7 total events. For example, if you make 1 hard cut time, you can swim 6 bonus swims. In addition, you can swim time trials above and beyond the 7, as long as you do not exceed the 3 events per day.
3. Relay only swimmers can also swim up to 7 Bonus events along with time trials. Relay only swimmers will count the same as individual athletes that have made cuts for scoring, and finals.
4. We will be re-opening the entry period so teams already entered can add additional swims or relays. New teams can also enter the meet at this time. The entry window will close at 5pm on Monday, July 13th.

If you have any question please email at meetentry@medleyaquatics.com
